

SpeakerCraft®
BOT-1.0
Break-Out Terminator
OWNER'S MANUAL
LIMITED 5-YEAR WARRANTY

SpeakerCraft warrants this product to be free of defects in materials or workmanship. This extends for five years from the date of purchase by the original consumer. Any products returned to SpeakerCraft and found to be defective by SpeakerCraft within the warranty period will be repaired or replaced, at SpeakerCraft's option, at no charge. SpeakerCraft will not be responsible for the actual cost of installation or removal of the product, nor for any incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. This warranty gives you specific legal rights. You may have additional legal rights that vary from state to state.

BOT-1.0 Break-Out Terminator

Use this unit to interface between the Quad (4-circuit) plug on SpeakerCraft IR Receivers (so equipped) and 3 or 4-conductor inter-room wiring.

This eliminates the need to cut off the plug and strip and tin the leads for certain applications. See the diagram below for typical system connections.
